

DESCRIBE WHO YOU ARE

Computer Applications

Total Points = 50

Directions: In this assignment you are to use Microsoft PowerPoint to create a slide show describing who you are. Follow the directions below.

Slide 1

Type your last name vertically down the page and then using each letter of your last name find a word that best describes you. (NOTE: It should be a positive word)

EXAMPLE:

Wise
Optimistic
Organized
Determined
Sensitive

Slide 2

Use each descriptive word to title a slide. Along with a word, use clipart to find a picture that best illustrates the word.

WHAT AM I GRADED ON? (Each of the following is worth 10 pts)

- Appropriate Clipart
- Good Descriptive Words
- Finished within the 1 hour time limit
- Creativity
- Spelling

A portion of the class period will be spent presenting them to the whole class.
