NCHS strongly discourages pre-planned absences during exams. Parents requesting any absence including extended absences during final exam days must submit their request **IN WRITING** to the school principal 5 days prior to the anticipated absence. Students should then pick up the Anticipated Absence form in the office and attach the letter approved by the Principal and obtain required teacher's signatures. If the requested absence includes final exams and is approved, the student must arrange with his/her teachers to make-up exams prior to their absence.

1. Due to the serious nature of final exams, students are required to be on time for exams. If a student arrives late to an exam, he or she will be sent to the office and will have to take the exam during the Make-Up Exam time period with his or her teacher(s).
2. ALL classes, including Physical Education, Art, and Music, will have Final Exams and meet on the scheduled exam day.
3. If a student has to ride the bus to or from school, they must be in attendance at all regularly scheduled exam times.
4. Students are expected to take ALL exams during their scheduled time. If a student is ill on the day of the exam parents **MUST** contact the office to report the absence and contact the teachers to schedule make-up exams.
5. Students need to stay in their classrooms for the entire exam period, even if they finish early. Students should bring other material to study to use their time wisely.
