

Newark Community High School

2025-2026 School Profile

School & Community Context

- Newark Community High School is a public, high-school-only-district located in a rural setting approximately 60 miles west of Chicago, IL. Geographically the district covers approximately 100 square miles. There are five main feeder schools that feed into Newark Community High School. There are currently 177 students enrolled in the high school.
- The main source of community income comes from farming. The village of Newark has approximately 900 residents. Most of these residents are middle class families who are blue-collar workers. Sources of income in the community are: local bank, motorcycle/ATV shop, BP station with a Subway restaurant, one local restaurant, post office, insurance agency, small doctor clinic, a pharmacy, Dollar General, ice cream shop, meat market, and a grain elevator.

Curriculum

- Graduation rate 100%
- Courses are taught on modified block schedule, where Monday, Tuesday, and Friday are traditional 8-period days, and Wednesday and Thursday are block days.

Programs Offered

- We offer seven AP courses. Courses offered every year are AP US History, AP Language & Composition, AP Calculus, AP Spanish, AP Physics. AP courses offered in alternating years are AP Music Theory and AP Studio Art.
- We also offer opportunities to earn dual credit through the local community colleges. Several of our career and technical education courses earn dual credit.
