STUDENT DRIVER PERMISSION FORM

STUDENT TRANSPORTATION IN PRIVATE VEHICLES

Newark High School will make every attempt to provide school bus/van transportation for our students to school sponsored activities. However, sometimes a situation arises when it becomes necessary to have students transported in their own private vehicle or as a passenger in a faculty member's vehicle.

When this occurs, all school employees will follow the procedures established by the administration and outlined in Board of Education Policy. I hereby release the Board of Education, its administrators, employees, and agents from and against any and all claims, liability, damages, costs or expenses arising out of or relating to the alternative transportation arrangements I/we have made for my student(s).

Option 1: Student Driving

I hereby give permission for my child, _____ to drive their private vehicle to _____ on _____.
(School sponsored activity) (Date)

I understand that no other student or passengers will be traveling with my child. In addition, my child may not be supervised by a Newark High School faculty member. The reason that my child will need to drive to this school sponsored event is the following:

I verify that the driver and vehicle are covered by _____,
(Insurance Company Name)
policy number _____, for liability, medical payments, physical damage, and uninsured motorists liability.

Option 2: Faculty Member Transporting Student

I hereby give permission for my child, _____ to ride with faculty member _____ in his/her private vehicle to _____
(School sponsored activity)
on _____. My child will be supervised by the above named Newark High School faculty member.
