Newark High School

Workplace Career Experience (WCE)

Coordinator/Teacher by Mrs. Alisa Woods

Criteria

- Must be a NCHS Junior or a Senior
- Meets the Consumer Education credit requirement
- A year-long course which earns 4 credits
- Must have a job or an education internship at the start of the 2026-2027 school year.
- Be available to work a minimum of 10 hours per week
- Must have own transportation travel to workplace
- School schedule could possibly have time included for early release for work or teacher internship depending on student credits
- Helps students to gain experience in the work place

Transferable Skills learned:

- Communication Skills
- Problem Solving/Analytical Skills
- Teamwork
- Initiative/Self-Starting
- Flexibility
- Creativity
- Attention to detail

A student's job can be career related or non-career related. The concept of this class is to help introduce students to the work place and how to work with the employer and employees.

If your student is interested in this program please send him or her to Room 104 (PC Lab) or e-mail me (awoods@nchs18.org) for an application before **December 7, 2026.**

If you have any questions about the program please contact Mrs. Woods by phone (815) 695-5164 or email (awoods@nchs18.org).
